**Please keep a couple things in mind for the above dates:**

- Avoid scheduling appointments for the testing dates.
- Testing starts right after the bell. Students need to be at school on time!
- Have your child get a “good” night’s rest. Go to bed early!
- Make sure your child comes to school after eating a healthy breakfast.
- Please be very positive and encouraging on testing days!

**Parent Letters:**

We would love it if you and other family members wrote positive, encouraging letters for your child to give them on each of their testing dates. Please place letters in envelopes and send them in with your child as a bundle. Teachers will pass out one letter a day to your child.

Thank you for all you do! ☺
